Also, her legal expertise includes: internal investigations, litigation, arbitrations, mediations, negotiations and administrative hearings.

Ms. Hanley has continually attained a high degree of peer recognition and professional achievement such as, Martindale-Hubbell's "AV" rating since 1995, 2005 Best of the Bar and Heavy Hitter in Human Resources by the *South Florida Business Journal*, *Law & Politics's* 2006 & 2007 Florida Super Lawyer, 2006 Academy of Florida Management Attorneys Past Presidents' Award, and 2008 inclusion in Best Lawyers in America.

**C**orporate Counsel magazine and *The Best Lawyers in America*®, the preeminent guide to the legal profession in the United States, are pleased to continue its series featuring lawyers named in the 14th edition of *The Best Lawyers in America*. This guide features attorneys who represent public and private companies as well as individuals in the area of LABOR & EMPLOYMENT Law.

Organized alphabetically (state, city, firm, attorney last name) this guide features expanded profiles as well as basic listings. These basic listings ensure that every listed lawyer in Labor & Employment Law is included.

It is not possible to purchase a listing in either *The Best Lawyers in America* or the *Corporate Counsel/Best Lawyers* section of this issue. Published since 1983, this guide is excerpted from *The Best Lawyers in America* 2008 (Copyright 2007 by Woodward/White, Inc., Aiken, SC) which includes listings for 29,769 lawyers in 77 specialties, in all 50 states and the District of Columbia. The complete database is available at [www.bestlawyers.com](http://www.bestlawyers.com). Woodward/White now updates its lists annually, conducting an exhaustive peer-review survey in which over 24,000 of the top lawyers in the United States register more than two million evaluations confidentially rating their professional peers. Ultimately, of course, a lawyer's inclusion in these lists is based on the subjective judgments of his or her fellow lawyers; as a result these lists may at times disproportionately reward visibility or popularity. Nevertheless, because of the breadth of its surveys, the candor of its respondents, and the sophistication of its polling methodology—and because lawyers are not required or allowed to pay a fee for a basic listing—Best Lawyers has gained the respect of the legal profession, the media, and clients as the most reliable, unbiased source of legal referrals anywhere.
